2/13/19 The United States of America and the defendant jointly request and agree that the time period from 1/16/2019 to 2/15/2019 be excluded from the computation of the period within which an information or indictment must be filed, pursuant to Title 18, United States Code, Section 3161(b) and (h)(7). The parties submit that there is good cause for an additional exclusion of time because:

1. Christopher X. Maher., attorney for the defendant, has been engaging in discussions with the Government concerning a possible disposition of this case without trial, and those discussions are ongoing.

2. Specifically, the defendant, through counsel, submitted an application for deferred prosecution on November 15, 2018 that is being considered by the Government. The application includes medical records that the Government is reviewing in connection with its decision on the application. The Government therefore requires additional time to review the application and to conduct any necessary meetings and/or calls with counsel for the defendant in connection with its review.
